

September 15, 2009

All,

As many of you know the Tyrone Pool will not be available for TIGERSHARKS SWIMMING use this coming season. Which means that not only will we not have access to it for swim meets but we will not be able to offer swim team practice at the Tyrone High School this coming season.

With that said as President of the Parents Organization I just wanted to express to our swimmers from the Tyrone area that you are encouraged to continue participation with the Hollidaysburg YMCA swim team. While I realize that driving to Hollidaysburg is not like driving to the local high school, the drive is not too bad and I am hopeful that you will continue your competitive swimming with all the other TIGERSHARKS from throughout Blair, Cambria and Huntingdon Counties.

Here is hoping we see you all on October 1st!

Should you have any questions or concerns I am very willing to answer/address as best I can.

Thanks!

Tom Grassadonia
President - Parent Organization
